

APPEAL AGAINST EXAMINATION RESULTS at Gjøvik University College

Please fill out the grey sections of the form on the computer, print it out and sign it. Submit the form to the student information centre.

37.5 An appeal against a grade must be submitted in writing within three weeks from when the assessment was published. If the student has demanded an explanation of the grade or appealed against procedural errors, the appeal deadline is determined from when the student received the explanation or decision regarding the appeal against procedural errors.

37.6 All students must sign the appeal regarding group examinations.

37.11 Grades determined by re-assessment are not open to appeal (cf. the University and College Act § 5-3, no. 6).
